National Intelligence Council

MEMORANDUM FOR: Ambassador Steven Bosworth
Director, Policy Planning Staff

FROM: Charles E. Waterman
Vice Chairman, National Intelligence Council

SUBJECT: Agenda for 13 May Meeting

1. I suggest the following as an agenda for our meeting between 10:00 and 12:30 on May 13:

- 1000-1030: Implications of LDC Debt: NIC participant Maurice Ernst, NIO/ECON (Memo attached)
- 1030-1100: Possible Future Soviet Moves in INF: NIC participant Larry Gershwin, NIO/SP
- 1100-1130: Implications of a Partial or Full Sino-Soviet Rapprochement: NIC participant Dave Gries, NIO/EA (Memo attached)
- 1130-1200: Change in Political Complexion of Insurgencies; Measurement of Instability: NIC participant Charles Waterman, VC/NIC (Memo attached)

2. Each NIO listed above will be prepared to make an informal 10 minute presentation on his subject, which may be useful as a stimulus to discussion. Perhaps your officers would wish to do the same, or we could simply leave it free flowing.

3. I suggest we consider these relatively brief sessions as merely introductions to further in-depth discussion between those specifically charged with the issues. I also believe we should consider holding similar sessions on other topics, should this one prove useful.
